A

[Verse 1]

E B
The drought was the very worst
C#m A
Ohoh, ohoh
E B C#m A
When the flowers that we'd grown together died of thirst
E B
It was months and months of back and forth
C#m A
Ohoh, ohoh
E B
You're still all over me
C#m A
Like a winestained dress I can't wear anymore

[Pre-Chorus]

B A
Hung my head as I lost the war
B A E
And the sky turned black like a perfect storm

[Chorus]

B C#m
Rain came pouring down
A E
When I was drowning, that's when I could finally breathe
B C#m
And by morning
A E E
Gone was any trace of you, I think I am finally clean

[Verse 2]

B C#m
There was nothing left to do

A E
Ohoh, ohoh

B
When the butterflies turned to
C#m A E
Dust that covered my whole room
B C#m
So I punched a hole in the roof

A E
Ohoh, ohoh

B C#m A
Let the flood carry away all my pictures of you

[Pre-Chorus]

B A B
The water filled my lungs, I screamed so loud
A E
But no one heard a thing

[Chorus]

B C#m
Rain came pouring down
A E
When I was drowning, that's when I could finally breathe
B C#m
And by morning
A E
Gone was any trace of you, I think I am finally clean

[Post-Chorus]

B C#m A
I think I am finally clean
E
Oh, oh, oh, oh, ohoh
B C#m A
Said, I think I am finally clean
E
Oh, oh, oh, oh, oh

[Bridge]

Ten months sober, I must admit
Just because you're clean, don't mean you don't miss it
A
Ten months older, I won't give in

E

Now that I'm clean, I'm never gonna risk it
