

Seven Spanish Angels Official by Willie Nelson

[Intro]

C Am F G

C

[Verse 1]

C

He looked down into her brown eyes

G

And said "Say a prayer for me"

G7

She threw her arms around him

C

Whispered "God will keep us free"

They could hear the riders coming

C7

F

He said "This is my last fight

C

If they take me back to Texas

G7

C

They won't take me back alive"

[Chorus]

C

There were seven Spanish angels

At the altar of the sun

G7

G

They were praying for the lovers

In the valley of the gun

C

When the battle stopped and the smoke cleared

C7

F

There was thunder from the throne

C

And seven Spanish angels

G7

C

Took another angel home

[Verse 2]

C

She reached down and picked the gun up

G

That lay smoking in his hand

G7

She said, "Father please forgive me

C

I can't make it without my man"

And she knew the gun was empty

C7

F

And she knew she couldn't win

C

Her final prayer was answered

G7

C

When the rifles fired again

[Chorus]

C

There were seven Spanish angels
At the altar of the sun

G7 **G**

They were praying for the lovers
In the valley of the gun

C

When the battle stopped and the smoke cleared

C7 **F**

There was thunder from the throne

C

And seven Spanish angels

G7 **C**

Took another angel home

G#7 **C#**

There were seven Spanish angels
At the altar of the sun

G#7

They were praying for the lovers
In the valley of the gun

C#

When the battle stopped and the smoke cleared

C#7 **F#**

There was thunder from the throne

C#

Seven Spanish angels

G#7 **C#**

Took another angel home

C#

There were seven Spanish angels

G#7

At the altar of the sun Oh I believe
They were praying for the lovers
Yeah they was
In the Valley of the Gun

C#

Well, well, well
When the battle stopped and the smoke cleared

[Fade Out]

C#7

F#

There was thunder from the throne
Oh, yeah

C#

And seven Spanish angels

G#7

C#

Took another angel home
