

[Intro]

**E**

[Verse 1]

**E**

It's not simple to say

**B**

That most days I don't recognize me

**C#m**

That these shoes and this apron, that place and  
its patrons

**A**

Have taken more than I gave them

**E**

It's not easy to know

**B**

I'm not anything like I used be, although it's

**C#m**

true

I was never attention's sweet center

**A**

I still remember that girl

[Chorus]

**E**

She's imperfect, but she tries

**B**

She is good, but she lies

**C#m**

She is hard on herself

**A**

She is broken and won't ask for help

**E**

She is messy, but she's kind

**B**

She is lonely most of the time

**C#m**

She is all of this mixed up and baked in a

**A**

beautiful pie

**E**

She is gone, but she used to be mine

[Verse 2]

**E**

It's not what I asked for

**B**

Sometimes life just slips in through a back door

**C#m**

And carves out a person and makes you believe

**A**

it's all true

And now I've got you

**E**

And you're not what I asked for

**G#**

If I'm honest, I know I would give it all back

**C#m**

For a chance to start over and rewrite an ending

**A**

or two

For the girl that I knew

[Chorus]

**E**

Who'll be reckless, just enough

**B**

Who'll get hurt, but who learns how to toughen up

**C#m**

When she's bruised and gets used by a man who

**A**

can't love

And then she'll get stuck

**E**

And be scared of the life that's inside her

**G#**

Growing stronger each day 'til it finally reminds  
her

**C#m**

**C#m/B**

To fight just a little, to bring back the fire in

**A**

her eyes

That's been gone, but used to be mine

[Bridge]

**E G#**

**C#m A**

Used to be mine

[Outro]

**E**

She is messy, but she's kind

**B**

She is lonely most of the time

**C#m**

She is all of this mixed up and baked in a

**A**

beautiful pie

**E**

She is gone, but she used to be mine
