

# Leave Before You Love Me Official by Marshmello & Jonas Brothers

[Intro]

**Fadd9**

**Gsus4**

**C**

I see you calling

[Verse 1]

**Am7**

I didn't wanna leave you like that

**Fadd9**

It's five in the morning, yeah, yeah

**Gsus4**

A hundred on the dash

**C**

'Cause my wheels are rolling

**Am7**

Ain't taking my foot off the gas

**Fadd9**

And it only took the one night

To see the end of the line

**Gsus4**

Staring deep in your eyes, eyes

[Chorus]

**C**

Dancing on the edge, 'bout to take it too far

**Am7**

It's messing with my head, how I mess with your heart

**Fadd9**

If you wake up in your bed, alone in the dark

**Gsus4**

I'm sorry, gotta leave before you love me

[Post-Chorus]

**C**

Ayy, ayy, leave before you love me

**Am7**

Ayy, ayy, leave before you love me

**Fadd9**

Ayy, ayy, leave before you love me

**Gsus4**

Ayy, ayy, leave before you love me

**C**

I'm so good at knowing

[Verse 2]

**Am7**

Of when to leave the party behind

**Fadd9**

Don't care if they notice, yeah, yeah, no

**Gsus4**

**C**

I'll just catch a ride, I'd rather be lonely,  
yeah

**Am7**

Than wrapped around your body too tight

**Fadd9**

Yeah, I'm the type to get naked

Won't give my heart up for breaking

**Gsus4**

'Cause I'm too gone to be staying, staying

[Chorus]

**C**

Dancing on the edge, 'bout to take it too far

**Am7**

It's messing with my head, how I mess with your heart

**Fadd9**

If you wake up in your bed, alone in the dark

**Gsus4**

I'm sorry, gotta leave before you love me

[Post-Chorus]

**C**

Ayy, ayy, leave before you love me

**Am7**

Ayy, ayy, leave before you love me

**Fadd9**

Ayy, ayy, leave before you love me

**Gsus4**

Ayy, ayy, leave before you love me

[Outro]

**C**

Dancing on the edge, take it too far

**Am7**

Messing with my head, how I mess with your heart

**Fadd9**

I'm sorry, alone in the dark

**Gsus4**

I'm sorry, ayy, ayy, leave before you love me
