

Green Green Grass Of Home Chords by Johnny Cash

[Verse 1]

E
The old home town looks the same
A **E**
as I step down from the train
B
And there to meet me is my mama and papa
E
Down the road I look and there runs Mary,
A
hair of gold and lips like cherries.
E **B** **E**
It's good to touch the green, green grass of home.

[Chorus]

E **A**
Yes, they'll all come to meet me arms a-reaching, smiling sweetly;
E **B** **E**
It's good to touch the green, green grass of home.

[Verse 2]

E **A**
The old house is still standing, though the paint is cracked and
E
dry,
B
And there's that old oak tree that I used to play on
E
Down the lane I walk and with my sweet Mary,
A
hair of gold and lips like cherries.
E **B** **E**
It's good to touch the green, green grass of home.

[Bridge]

E

And then suddenly I awake and look around me

A

E

at the four gray walls that surround me

B

and I realize that I was only dreaming.

E

For there's a guard and there's a sad old padre

A

Arm and arm we'll walk at daybreak

E

B

E

again I'll touch the green, green grass of home

[Chorus]

E

A

Yes, they'll all come to see me in the shade of that old oak tree;

E

B

A

As they lay me 'neath the green, green grass of home.
