

Upside Down Official by Jack Johnson

[Intro]

E F#m E F#m

[Verse 1]

E

Who's to say

What's impossible

F#m

Well they forgot

This world keeps spinning

E

And with each new day

F#m

I can feel a change in everything

E

And as the surface breaks reflections fade

F#m

But in some ways they remain the same

E

And as my mind begins to spread it's wings

F#m

There's no stopping curiosity

E

F#m

I want to turn the whole thing upside down

[Chorus]

A **B** **E** **F#m**
I'll find the things they say just can't be
found
A **B** **E** **F#m**
I'll share this love I find with everyone
A **B** **E** **F#m**
We'll sing and dance to Mother Nature's songs
A **B** **E**
I don't want this feeling to go away

[Bridge]
