[Intro]

[Verse 1]

Dm C Dm C Dm C  
Now and then, I think of when we were together  
Dm C Dm C Dm C Dm C  
Like when you said you felt so happy, you could die  
Dm C Dm C Dm C  
I told myself that you were right for me  
Dm C Dm C  
But felt so lonely in your company  
Dm C Dm C Dm C Dm C  
But that was love and it's an ache I still remember

[Interlude]

Dm C Dm C Dm C Dm C  
Dm C Dm C Dm C Dm C

[Verse 2]

Dm C Dm C Dm C  
You can get addicted to a certain kind of sadness  
Dm C Dm C Dm C Dm C  
Like resignation to the end, always the end  
Dm C Dm C Dm C  
So when we found that we could not make sense  
Dm C Dm C  
Well, you said that we would still be friends  
Dm C Dm C Dm C Dm C  
But I'll admit that I was glad it was over

[Chorus]

**Dm**            **C**                            **Bb**        **C**  
But you didn't have to cut me off

**Dm**            **C**                            **Bb**                            **C**                            **Dm**  
Make out like it never happened and that we were nothing

**C**                            **Bb**                            **C**  
And I don't even need your love

**Dm**                            **C**                            **Bb**                            **C**  
But you treat me like a stranger and that feels so rough

**Dm**            **C**                            **Bb**                            **C**  
No, you didn't have to stoop so low

**Dm**            **C**                            **Bb**                            **C**  
Have your friends collect your records and then change your  
**Dm**  
number

**C**                            **Bb**                            **C**  
I guess that I don't need that, though

**Dm**                            **C**                            **Bb**                            **C**  
Now you're just somebody that I used to know

**Dm C Bb C Dm**                            **C**                            **Bb**                            **C**  
                  Now you're just somebody that I used to know

**Dm C Bb C Dm**                            **C**                            **Bb**                            **C**  
                  Now you're just somebody that I used to know

[Verse 3]

**Dm**            **C**                            **Dm**                            **C**                            **Dm C**  
Now and then, I think of all the times you screwed me over

**Dm C Dm**                            **C**                            **Dm**                            **C**                            **Dm**  
But had me believing it was always something that I'd done

**C**  
**Dm C**  
But I don't wanna live that way  
Reading into every word you say  
You said that you could let it go

And I wouldn't catch you hung up on somebody that you used to know  
**Dm**

[Chorus]

**C** **Bb** **C**  
But you didn't have to cut me off  
**Dm** **C** **Bb** **C** **Dm**  
Make out like it never happened and that we were nothing  
**C** **Bb** **C**  
And I don't even need your love  
**Dm** **C** **Bb** **C**  
But you treat me like a stranger and that feels so rough  
**Dm** **C** **Bb** **C**  
No, you didn't have to stoop so low  
**Dm** **C** **Bb** **C**  
Have your friends collect your records and then change your  
**Dm**  
number  
**C** **Bb** **C**  
I guess that I don't need that, though  
**Dm** **C** **Bb** **C**  
Now you're just somebody that I used to know  
**Dm** **C** **Bb** **C** **Dm** **C** **Bb** **C**  
Now you're just somebody that I used to know  
**Dm** **C** **Bb** **C** **Dm** **C** **Bb** **C**  
Now you're just somebody that I used to know

[Outro]
