

Kiss An Angel Good Mornin Official by Charley Pride

[Verse 1]

E E

Whenever I chance to meet

A

Some old friends on the street

B

They wonder how does

E

A man get to be this way

I've always got a smilin' face

A

Any time and any place

B

And everytime they ask me why

E

I just smile and say

You've got to

[Chorus]

E B

Kiss an angel good mornin'

A

And let her know you think

E

About her when you're gone

B

Kiss an angel good mornin' and

A Love her like a devil when you get back home **E**

[Verse 2]

E
Well people may try to guess

A
The secret of a happiness

B
But some of them never learn

E
It's a simple thing
The secret I am speaking of

A
Is a woman and a man in love

B **E**
And the answer is in the song that I always sing
You've got to

[Chorus]

E **B**
Kiss an angel good mornin'

A
And let her know you think

E
About her when you're gone

B
Kiss an angel good mornin' and

A Love her like a devil when you get back home **E**

[Outro]

E Kiss an angel good mornin' **B**

A And let her know you think

About her when you're gone **E**

B Kiss an angel good mornin' and

A Love her like a devil when you get back home **E**
