

# You Belong With Me Official by Taylor Swift

[Intro]

**D**

[Verse 1]

**D**

You're on the phone with your girlfriend

**A**

She's upset

**Em**

She's going off about something that you said

**G**

'Cause she doesn't get your humor like I do

**D**

I'm in my room

**A**

It's a typical Tuesday night

I'm listening to the kind of music she doesn't

**Em**

like

**G**

And she'll never know your story like I do'

[Pre-Chorus]

**Em**

But she wears short skirts

**G**

I wear Tshirts

**D**

She's cheer captain

**A**

And I'm on the bleachers

**Em**

**G**

Dreaming about the day when you wake up

**A**

And find that what you're looking for has been  
here the whole time

[Chorus]

**D**

If you can see I'm the one who understands you

**A**

**Em**

Been here all along so why can't you see

**G**

You belong with me

**D**

You belong with me

[Verse 2]

**D**

Walkin' the streets with you and your wornout

**A**

jeans

I can't help thinking this is how it ought to

**Em**

be

**G**

Laughing on a park bench, thinking to myself

Hey isn't this easy

**D**

And you've got a smile that could light up this

**A**

whole town

I haven't seen it in a while since she brought

**Em**

you down

You say your fine

I know you better than that

**G**

Hey what you doing with a girl like that

[Pre-Chorus]

**Em**

She wears high heels

**G**

I wear sneakers

**D**

**A**

She's cheer captain and I'm on the bleachers

**Em**

**G**

Dreaming about the day when you wake up

**A**

And find that what what you're looking for has  
been here the whole time

[Chorus]

**D**

If you can see I'm the one who understands you

**A**

**Em**

Been here all along so why can't you see

**G**

You belong with me

**D**

Standing by and waiting at your back door

**A**

**Em**

All this time how could you not know, baby

**G**

you belong with me

**D**

You belong with me

[Bridge]

**A Em G**

**Em**

Oh, I remember you drivin' to my house in

**G**

the middle of the night

**D**

I'm the one who makes you laugh

**A**

When you know you're about to cry

**Em**

And I know your favorite songs

**G**

And you tell me about your dreams

**D**

I think I know where you belong

**A**

I think I know it's with me

[Verse 3]

Can't you see that I'm the one who understands
