"BATTLE BALL"

Battle Ball Scramble is a game of 4-person teams.

Each team plays a 3 person scramble and 1 player plays the "battle ball". This rotates among players, changing each hole. For example: player A on hole 1, player B on hole 2 and so forth throughout the round.

Each player will take a "tee shot" and select one to play. From that point 3 will continue in a scramble format and 1 will continue as the designated "battle ball" player.

In "Battle Ball" two scores per hole are added to become the team score. One is the scramble score and the other the "battle ball" score.

FOUR WINNING TEAMS

Tournament Champion * Scramble Winner
"Battle Ball" Winner * Challenge Cup
