

Pressco Products

Who We Are

Here at Pressco Products we take pride in manufacturing and delivering high-quality aerospace and aeronautical parts and components made to customer specifications, with friendly and professional service every step of the way!

We offer precision machining, custom stamping, and small component assembly services, and have been trusted industry wide since our inception in 1965.

We primarily work in the commercial, military and defense, and general aviation markets to produce quality aeronautical parts with passion.

Pressco Products is an AS9100 and ISO 9001:2015 Certified manufacturing company with vast working knowledge and background designed with your companies needs in mind. We work with various materials ranging from alloy steels, stainless steel, titanium, bronze and copper alloys, various series aluminum, non-metallic materials such as nylon, phenolic, and more!

What We Do

Machining

We have state-of-the-art equipment and skilled machinists who produce precision parts for numerous aerospace applications. From Manual Mill, CNC Lathe, 3-axis, 4-axis, and 5-axis CNC Mills, our machining services are expertly programmed producing superior parts with efficiency.

Stamping

Our stamping services cover a range of materials and can produce parts with complex geometries. We use high-quality custom, in-house, made dies and presses to ensure that the final product meets the necessary specifications.

Assembly

Our assembly services range widely to encompass many aerospace requirements. We assemble simple kits to high level detailed small component assemblies. Using advanced techniques our team of experienced technicians can assemble the complex projects you need.

What We Have

CNC Machines

- OKK HM-500S Horizontal Machining Center, 2 Pallet, 40 Taper, 4 Axis, 178 Tools
- OKK HM6300 Horizontal Machining Center, 2 Pallet, 50 Taper, 4 Axis, 60 Tools
- OKK VM53R, Vertical Machining Center, 50 Taper, 4 Axis, 30 Tools
- OKK VM76R, Vertical Machining Center, 50 Taper, 4 Axis, 30 Tools
- Haas VF-3, Vertical Machining Center, 40 Taper, 5 Axis Trunnion, 40 Tools
- Haas Super Mini Mill, Vertical Machining Center, 40 Taper, 4 Axis, 10 Tools
- Haas Super Mini Mill 2, Vertical Machining Center, 40 Taper, 4 Axis, 24 Tools
- SMART NL-2500SY CNC Lathe with Live Tooling and Sub-Spindle, FANUC Oi-TF Control, 24 Tools, 10" & 8" Power Chucks, LNS Quick Six S2 Bar Feeder
- Takisawa TCN-2000L6 CNC Lathe with FANUC Oi-TD Control, 12 Tools, 8" Power Chuck, 5C & 16C Collet Chuck, Tailstock, LNS Quick Six S2 Bar Feeder
- Nakamura-Tome Slant 1 CNC Lathe, 15 HP, 12 Tools, 8" Power Chuck, 5C & 16C Collet Chuck, Tailstock

Stamping and Press Machines

- SEYI Punch Press, 28 Ton, Adjustable Stroke Speed
- South Bend Lathe Punch Press, OBI (45 & 60 Ton)
- SEYI Punch Press, 121 Ton, Adjustable Stroke Speed
- Cincinnati Power Shear, Adjustable Back Gauge
- Di-Acro Hydraulic Press Brake (17 & 12 Ton)
- Di-Acro Manual Finger Press Brake, 36" Wide
- Torrington V-82, Automatic 4-Slide Forming Machine
- OTC Hydraulic Press, 55 Ton, 48" Wide
- Hurco PH40-20 Hydraulic Press Brake, Autobend 7 CNC Back Gauge, 2 Axis

Manual Machining & Tooling

- Bridgeport Series I, Vertical Manual Milling Machine, Digital Readout, Power Feed
- Proto-TRAK DPM3P Bed Mill, 5 HP, SMX CNC w/Spindle Control, CAT40
- Proto-TRAK DPM5P Bed Mill, 5 HP, SMX CNC w/Spindle Control, CAT40
- Martin Manual Engine Lathe, 3 & 4 Jaw Chuck, Steady & Follow Rest, Tailstock
- Cadillac Manual Engine Lathe, 5C Collet, 3 Jaw Chuck, Tailstock
- Hardinge DSM, Second Operation Turret Lathe, 5C Collet, 8 Tools
- Boyer-Shultz Surface and Profile Grinder, Magnetic Chuck, Radii & Angle Dresser
- Sunnen MB-1660 Hone
- DoAll C-260A Automatic Horizontal Band Saw, Automatic Bar Feed
- Peerless Cutoff Saw
- DoAll Vertical Bandsaw
- Flow Int'l Bengal 2X4 WaterJet Cutting Machine, 25 HP Cougar II Pump

Materials

- Aircraft Aluminum
- Inconel
- Stainless Steel
- Alloy Steel
- Aluminum Nickel Bronze
- Nylon
- Teflon
- Torlon
- Tool Steel
- Carbon Steel
- Sheet, Plate, and Bars

We will also work with customer furnished materials. Please contact us for details.
