Too expensive and food has gotten worse	Last one planned nicely. Great to be able to bring own alcohol.	Usually to early occasionally have church till 11:15.	Like these because you can socialize.	Too noisy & big.	Attended the first year but not since then.

## Other kinds of events.

I'd like to see us expand and include more active events (walk and lunch at the beach) and more diverse activities, dinner/theater or dinner/movie or get a group to go to interesting destinations (museums, the Zoo/wild animal park, etc)

I really like the Sunday afternoon get togethers, Night time driving not good

Thank you for survey input opportunity.

Dinner and live theater. Day tips (in our cars to places of interest within 50 miles. San Marco Winery was aa great idea. -

Comment - Our group consist of couples for the most part. May I suggest each male member be asked to assure two additional male dancers attend each dance activity. Free admission for those willing to dance with the single ladies in attendance. Perhaps each male member with at least two dancing male guest be given one free drink of his choice. In addition it might be helpful if single women attending dance be mindful of gentleman's feelings and accept invitation to dance I'ven if the guy is not the "best" of dancers

Liked wine evert

Would like new members introduced at first meeting.

Day trips with hired driver. Minimum number required. Buss driver fee to be determined by number of participants (fee shared)

Breakfast/brunch oceanside harbor,. Try Elk in Vista Thursday cook your own steak.

Cocktail party, no seating,

The dances are for couples so the single ladies are not dancing.

Hard to get to places.

Richard doing a good job

Perhaps a visit to the theater - North Coast Rep. We could carpool or pay for small mini-bus for transportation,

I'm good

I am a new member an will attend more events in the future. Appreciate this group and enjoy the activities,

"Lunch Bunch" lunches. Plays or attend concerts or music venues around town.

I have a partner now but thank NCWW for being there - Lynn Murphy

Movie Matinee

Del Mar Races. Casino's

Just a comment: No one, who hasn't been involved, knows the work tat goes into being involved in an organization. Over the years I have gone through the chairs in fraternal, civic and political organizations. It's word, and 'everyone' has 'suggestions' how to make it better without doing anything themselves. I want you to know I appreciate the work you guys do. I've been there. It is greatly appreciated.

Day trips with other groups? Thank your and all the volunteers who do such a great job.

Have found a woman companion - less incentive to attend.

I heard that the visit to the local winery was successful! Maybe on a day other than Sunday.

Annual Picnic at one of the parks. Pot luck or catered. Tours planned & scheduled (two times a year): ie. Camp Pendleton. Glass Studio in Carlsbad, entertainment center in Escondido. Vista gardens with guides, Oceanside Art Museum , Oceanside walking tour w/ guide. Rancho Bernardo winery outing. Buena Vista Nature walk w/ tour guide. Railroad museum and train to Campo as a group. Anyway lots of places if there was interest. Another really important thought, please speak into the Mic so we can all hear what the officers are saying. Compliments and thank you's to all o the officers who are putting lots of time and effort into making our club a success. Thank you so much. Also, the Newsletter is very well done and informative. I belong to another large club and the Newsletter is distributed by email. It works perfect. It would save money for sure. Diane Phillips, Editor is greatly appreciated for job well done. Available the first of 2024 to help with an event. Jacky Clutter.

This is Linda Lee. I was a member or 12 years. Enjoyed all of it. I will no longer be able to attend. Really miss them. Best wishes to all the members.

Sorry, I am a new member and have jut moved into the Hacienda Community in Oceanside. I am trying to get involved but have no idea the locations of the dances. I will figure it out.

I live east of the I15, let's have more events in San Marcos and Escondido.

How about trips to local museum or maybe a game day/night.

Sunday Socials at Wineries!
