2025 Scholarship Application Form

You will be applying for one of the scholarships listed below. Please read through the description of each one. If there is a specific scholarship of interest to you, **be sure to emphasize that in your material/essay**. For example, if the scholarship lists science, write about your science experience, classes, and goals.

We will be looking at your grades (minimum 2.5 GPA), curriculum, activities, financial need, family responsibilities, participation in school activities and sports, and community involvement. If you have work experience, we want to hear about that too. We are pleased you are submitting this application. Your success is important to us.
