Thank you for coming to our show!

To our Dancers - Here we are at JKSD's 57th recital. As we gather together again to show your families and friends how far you have come, we remember Miss Janet and her love of dance. She was always so proud of you! Every year, we take great joy in watching you grow in your dance through your hard work and dedication. Your hard work brings so much joy to all who watch you. Thank you for another great year and remember, as Miss Janet used to say, "To Dance is to Live".

To our Parents - Thank you for all you do to get your dancers to classes and to support them through the year. Without you, we would not be here.
