

# October 22: The Plagues & Passover

*This is an Old Testament story from Exodus, the second book of the Bible. This story happened about 400 years after last month's stories about Joseph. His family grew so large that Pharaoh, the king of Egypt, made them his slaves. He was worried the Israelites (Joseph's family) would take over his country.*

*Old Testament stories took place before the birth of Jesus.*

### Moses, the Plagues, and Passover

Read the story from the Bible or Children's Bible Story Book or [online](#).

Watch this [video](#) of a Seder dinner in Ethiopia.

What special meal do we share in worship? How is the Seder similar to Communion?

[Make](#) homemade matzoh, or buy a box to try at home.

Say a Prayer of thanksgiving when you eat with your family. Give thanks for something special in that meal.
