Lynn's Latest:  
The cool weather is slowly returning!! Fall is my favorite season, but this means our Northerner's will be returning. Our Park will be filled with more people and cars! I just want to caution everyone to be aware of others on the road please obey the 10 MPH SPEED LIMIT in the park, remember walkers are #1, Bicycles are #2, Golf Carts are #3, and last of all Cars are #4, in that order of importance on the park streets. Please be careful! This year our Thanksgiving dinner will be held in the Clubhouse for all. I will be putting up a Volunteer Sheet, this takes a lot of people to pull off, so please help! I look forward to greeting our returning family as they come back and hope you all do the same.  
**HAPPY AUTUMN!**
