**About Extend Your Day**

Extend Your Day is a family run business located in Stewartstown, PA. My wife, Kayla, is the office administrator, my father, Mark, is my field technician, and my mother, Lynne, helps with administrative tasks.

We are a four season operation providing landscaping, lawn care, property cleanups, and residential snow removal among other services.

Over the past 10 years I have learned so much about lawn care, landscaping, and business. I love to learn and am continually looking for ways to grow as an individual and business owner.

I am committed to offering outstanding services that will help beautify your home and find more time in your day. Providing exceptional customer service is my

number one goal. If there are ever questions or concerns, please reach out.

Kayla and I are proud members of the Stewartstown Lions Club. Together, we enjoy giving back to the community. Kayla is currently responsible for Student of the Month, and we help organize the various Lions Club community activities.

So far this spring, we've been busy with Mulch Installations and Spring Property Cleanups. Our mowing season begins the first full week of April and we're ready for it! If you want to get on the schedule for any of our services, please don't hesitate to reach out.

We always take pride in our work and in taking care of your property. With that in mind, here's how we do business:

- **Committed to Quality:** We're all about doing the job right, with attention to detail and a focus on getting it done well.
- **Respect for Your Space:** Your property is important to us. We'll take care to avoid any damage and keep things as clean as possible while we work.
- **Professional Presence On & Off-Site:** Whether we're on your property, communicating remotely, or out in the community, we maintain a professional, approachable demeanor, making sure we always represent your project as well as Extend Your Day with respect and care.
- **We're On Time:** We know your time matters, so we'll stick to the schedule as best we can and keep any delays to a minimum.
- **Good Communication:** We'll keep you in the loop throughout the process, so you're always up to date on how things are going.
- **Clean Up After Ourselves:** When we're done, we'll leave the place looking as good (or better!) than when we started.

**Spring Yard and Garden Cleanups**

Removal of sticks, weeds, leaves and other lawn debris to get your property ready for weekly mowing. Cut back any shrubs or any grasses to get gardens ready for spring.

**Mowing Services**

**Weekly Lawn Maintenance** – Cut, edge, trim and blow off surfaces on property.

**Bi-weekly Lawn Maintenance** – For non-established or wooded lot lawns only. Cut, edge, trim and blow off surfaces on property on a bi-weekly schedule.

**Landscaping Services**

**Weeding** – Clear all flower beds of weeds. We can provide one time, monthly or customized plans to keep your gardens clean all spring and summer long.

**Mulching and Edging Services** – Create or redefine bed edges if necessary and install 2-3 inches of mulch in all flower beds.

**Bed Maintenance** – scheduled biweekly or monthly

**Aeration and Overseeding**

Aeration is the process of creating holes in a lawn to alleviate soil compaction and reduce thatch, while allowing a better flow of oxygen, water, and nutrients to roots. It allows the grass roots to dig deep into the soil which allows for strong and resilient growth. Aeration prior to overseeding provides seed the soil contact and space needed for seed to germinate and develop successfully.
