About Extend Your Day

Extend Your Day is a family run business located in Stewartstown, PA. My father, Mark, is my field technician. My wife, Kayla, and mother, Lynne share administrative responsibilities.

We are a four-season operation providing landscaping, lawn care, property cleanups, and residential snow removal among other services.

Over the past 10 years I have learned so much about lawn care, landscaping, and business. I love to learn and am continually looking for ways to grow as an individual and business owner.

I am committed to offering outstanding services that will help beautify your home and find more time in your day. Providing exceptional customer service is my

number one goal. If there are ever questions or concerns, please reach out.

Kayla and I are proud members of the Stewartstown Lions Club. Together, we enjoy giving back to the community. During our busy Extend Your Day season, we help organize the various Lions Club community activities.

Here are a few of our project pictures from over the summer.
