About Extend Your Day

Extend Your Day is a family run business located in Stewartstown, PA. My wife, Kayla, is the office administrator, my father, Mark, is my field technician, and my mother, Lynne, helps with administrative tasks.

We are a four season operation providing landscaping, lawn care, property cleanups, and residential snow removal among other services.

Over the past 9 years I have learned so much about lawn care, landscaping, and business. I love to learn and am continually looking for ways to grow as an individual and business owner.

I am committed to offering outstanding services that will help beautify your home and find more time in your day. Providing exceptional customer service is my

number one goal. If there are ever questions or concerns, please reach out.

Kayla and I are proud members of the Stewartstown Lions Club. Together, we enjoy giving back to the community. Kayla is currently responsible for Student of the Month, and we help organize the various Lions Club community activities.

Happy New Year! 🎉

Here's to a fresh start, big wins, and plenty of good moments ahead. Wishing you a safe, successful, and smooth 2026—may it be your best year yet!

Winter Services are in full swing

Fall leaf cleanup is officially complete, and winter has arrived in full force—so our equipment is ready for snow.

Currently, we are fully booked for snow removal services. We work hard to reach every client as quickly and safely as possible, but please understand that during larger storms, service does take time. If you anticipate special circumstances on future snow days, feel free to contact me and I'll do my best to work you into the schedule. We begin snow removal once the snow stops and accumulation exceeds 3 inches.

If ice is in the forecast, we offer pre-treatment for walkways and driveways using salt to clients in Stewartstown, Shrewsbury, and New Freedom. Please reach out for an estimate as this is an add on service.

Our commitment to reliable, high-quality service remains strong through every season. Thank you for trusting us — we're here for you year-round!
