ABOUT EXTEND YOUR DAY LLC

Extend Your Day is a family run business in Stewartstown, PA. My wife, Kayla, is the office administrator and my father, Mark, is my field technician.

Over the past 8 years I have learned so much about lawn care, landscaping, and business. I love to learn and am

continually looking for ways to grow as a business owner.

I am committed to offering outstanding services that will help you beautify your home and find more time in your day. Providing exceptional customer service is my number one goal.

Kayla and I are proud members of the Stewartstown Lions Club. Together, we enjoy giving back to the community through Lions Club. I'll highlight some of the activities in this and upcoming newsletters.

Weather Update – Rain Delays in May

May has been particularly challenging due to frequent rain—about 11 rainy days so far, many falling on our scheduled mowing days. While we're eager to catch up as soon as the weather allows, we assess each lawn carefully after rain to ensure it's safe and beneficial to mow.

Why we delay mowing wet lawns:

- Wet grass bends easily, resulting in uneven cuts.
- Mowing on wet soil can compact it, hindering root growth and nutrient absorption.
- Damp conditions increase the risk of spreading lawn diseases from lawn to lawn.
- Wet grass clogs mower decks and discharge chutes, straining our equipment and causing corrosion.

We appreciate your patience and understanding as we balance timely service with protecting your lawn's health and maintaining our equipment.

As a 2016 Kennard Dale High School graduate and the founder of Extend Your Day, I was able to fund my Business Administration degree at HACC through building my business. I recognize the financial challenges of higher education, and launched the **Extend Your Day Scholarship**—a \$1,000 award for a student pursuing college, technical, or trade school, with preference for aspiring entrepreneurs. The first scholarship was awarded on **May 20, 2025**, at the **Dollars for Scholars Ceremony**, with plans to make it an annual tradition.

Stewartstown Lions Club News

Student of the Month – The Lions Club awards a senior student every month of the school year a certificate and a check they can use toward higher learning expenses.

In April, \$500 was awarded to a student who plans to attend Delaware Valley College to earn a degree in Agricultural Business. The student's goal is to start a business in livestock photography while having their own farm raising livestock.
