About Extend Your Day

Extend Your Day is a family run business located in Stewartstown, PA. My father, Mark, is my field technician. My wife, Kayla, and mother, Lynne share administrative responsibilities.

We are a four season operation providing landscaping, lawn care, property cleanups, and residential snow removal among other services.

Over the past 10 years I have learned so much about lawn care, landscaping, and business. I love to learn and am continually looking for ways to grow as an individual and business owner.

I am committed to offering outstanding services that will help beautify your home and find more time in your day. Providing exceptional customer service is my

number one goal. If there are ever questions or concerns, please reach out.

Kayla and I are proud members of the Stewartstown Lions Club. Together, we enjoy giving back to the community. During our busy Extend Your Day season, we help organize the various Lions Club community activities.

Extend Your Day is a proud supporter of South Eastern Dollars for Scholars program. The program is a registered 501C (3) charitable organization dedicated to encouraging life-long learning by raising and distributing scholarships to students who reside in the South Eastern School District.

As a 2016 Kennard Dale High School graduate and the founder of Extend Your Day, I was able to fund my Business Administration degree at HACC through building my business. I recognize the financial challenges of higher education and launched the **Extend Your Day Scholarship**—an award for a student pursuing college, technical, or trade school, with preference for aspiring entrepreneurs.

This is our 2nd scholarship year. Our recipient is attending McDaniel College to major in Business Management Administration. To learn more about the program, follow this link: [South Eastern Dollars for Scholars](#)
