About Extend Your Day

Extend Your Day is a family run business in Stewartstown, PA. My wife, Kayla, is the office administrator, my father, Mark, is my field technician, and my mother, Lynne, helps with administrative tasks.

We are a four season operation providing landscaping, lawn care, property cleanups, and residential snow removal among other services.

Over the past 8 years I have learned so much about lawn care, landscaping, and business. I love to learn and am continually looking for ways to grow as an individual and business owner.

I am committed to offering outstanding services that will help beautify your home and find more time in your day. Providing exceptional customer service is my number

one goal. If there are ever questions or concerns, please reach out.

Kayla and I are proud members of the Stewartstown Lions Club. Together, we enjoy giving back to the community through Lions Club. Kayla is currently responsible for Student of the Month, and we help organize the various Lions Club community activities.

Preparing for Season Changes

If only we could predict the weather for service changeover! As we wrap up the mowing season, our final week of lawn mowing for 2025 is the last week of October for current customers who would like one last cut before winter.

We're now booking Fall Cleanup for services such as:

- Leaf removal
- Shrub and plant pruning
- Flowerbed cleanup

As the snow season approaches, keep Extend Your Day in mind for residential snow removal. You can call, text, or contact Cory through the website to discuss your individual snow removal or cleanup needs before winter weather happens.

Our commitment to reliable, high-quality service remains strong through every season.

Thank you for trusting us — we're here for you year-round!
