#### About Extend Your Day

Extend Your Day is a family run business located in Stewartstown, PA. My wife, Kayla, is the office administrator, my father, Mark, is my field technician, and my mother, Lynne, helps with administrative tasks.

We are a four season operation providing landscaping, lawn care, property cleanups, and residential snow removal among other services.

Over the past 9 years I have learned so much about lawn care, landscaping, and business. I love to learn and am continually looking for ways to grow as an individual and business owner.

I am committed to offering outstanding services that will help beautify your home and find more time in your day. Providing exceptional customer service is my

number one goal. If there are ever questions or concerns, please reach out.

Kayla and I are proud members of the Stewartstown Lions Club. Together, we enjoy giving back to the community. Kayla is currently responsible for Student of the Month, and we help organize the various Lions Club community activities.

#### Snow, snow, more snow, then some ice!

January 25th, 26th, and 27th were marked by unprecedented snow, ice, and frigid temperatures. Despite long hours and extreme conditions, Extend Your Day, along with our equipment, was heavily tested, yet performed reliably and sustained minimal impact. We're looking forward to that snow-and-ice combo being the last for the foreseeable future!

Currently, we are fully booked for 2026 snow removal services. We work hard to reach every client as quickly and safely as possible; however, during larger storms, service does take time. If you anticipate special circumstances on future snow days, please feel free to contact me, and I'll do my best to work you into the schedule.

Generally, snow removal begins once snowfall has ended and accumulation exceeds 3 inches. In the event of a storm like what we experienced in late January, we may adjust when and/or how snow removal is performed to ensure safety and efficiency.

If ice is in the forecast, we offer pre-treatment for walkways and driveways using salt for clients in Stewartstown, Shrewsbury, and New Freedom. This is an add-on service—please reach out for an estimate if you're interested.

Thank you for your understanding and continued support. We truly appreciate our clients' patience during extreme weather events.

Our commitment to reliable, high-quality service remains strong through every season. Thank you for trusting us — we're here for you year-round!
