Volume 1, Issue 1
February 2025

Hello! My name is Cory Madison. I hope this newsletter finds you well and are looking forward to great things in 2025!

Extend Your Day was born 8 years ago with a pickup truck, a mower, along with a few other lawn tools. Since then, I have learned a ton about business, myself, my wife, my family and friends, and my customers. I am grateful for everyone's support.

I am committed to offering outstanding services that will help you beautify your home and find more time in your day. Providing exceptional customer service is my number one goal.

I am always looking to make smart equipment updates to provide home services at a reasonable cost.

ABOUT EXTEND YOUR DAY

Extend Your Day is a family run business in Stewartstown, PA. My wife, Kayla, is the office administrator and my father, Mark, is my field technician.

Over the years I have learned so much about lawn care, landscaping and business. I love to learn and continually look for

ways to grow as a business owner. I am also committed to giving back to the community.

For now, I've stepped away from real estate. My time as a realtor was an invaluable experience, however, splitting my time between both careers limited my ability to give 100%

to both businesses.

Kayla and I are proud members of the Stewartstown Lions Club. Together, we enjoy giving back to the community through Lions Club. I'll highlight some of the activities in this and upcoming newsletters.

NOW SCHEDULING SPRING SERVICES – Call, text or email Cory for your free estimate 717-818-2032

Spring Yard and Garden Cleanups

Removal of sticks, weeds, leaves and other lawn debris to get your property ready for weekly mowing. Cut back any shrubs or any grasses to get gardens ready for spring

Aeration & Overseeding

Aeration is the process of creating holes in a lawn to alleviate soil compaction and reduce thatch, while allowing a better flow of oxygen, water, and nutrients to roots. It allows the grass roots to dig deep into the soil which allows for strong and resilient growth. Aeration prior to overseeding provides seed the soil contact and space needed for seed to germinate and develop successfully.

Landscaping Services

Weeding – Clear all flower beds of weeds. We can provide one-time services, monthly or custom plans to keep your gardens clean all spring and summer long.

Mulching and Edging Services – Create or redefine bed edges if necessary and install 2-3 inches of mulch in all flower beds.

Mowing Services

Weekly Lawn Maintenance – Cut, edge, trim and blow off surfaces on property.

Bi-weekly Lawn Maintenance – For non-established or wooded lot lawns only. Cut, edge, trim and blow off surfaces on property on a bi-weekly schedule.

A Little Bit About Stewartstown Lions Club

Kayla and I joined the Stewartstown Lions Club about 3 years ago. We joined to give back to the community that supports us. It's something productive to do together that gives us a great sense of satisfaction. We have the privilege of working alongside people who serve our community doing amazing things. Kayla is currently the Student of the Month Coordinator, and I am currently the Tail Twister and a director in addition to being the 3rd vice president.
