About Extend Your Day

Extend Your Day is a family run business located in Stewartstown, PA. My father, Mark, is my field technician. My wife, Kayla, and mother, Lynne share administrative responsibilities.

We are a four-season operation providing landscaping, lawn care, property cleanups, and residential snow removal among other services.

Over the past 10 years I have learned so much about lawn care, landscaping, and business. I love to learn and am continually looking for ways to grow as an individual and business owner.

I am committed to offering outstanding services that will help beautify your home and find more time in your day. Providing exceptional customer service is my

number one goal. If there are ever questions or concerns, please reach out.

Kayla and I are proud members of the Stewartstown Lions Club. Together, we enjoy giving back to the community. During our busy Extend Your Day season, we help organize the various Lions Club community activities.

Community Volunteer Day

Our Extend Your Day family donated time on Saturday, May 30, 2026, to help make the Mason Dixon Library grounds look amazing. Volunteers from the library and the Stewartstown Lions Club also turned out. Mighty Oak Mulch out of Red Lion, PA donated the mulch. We had great weather and appreciated all the volunteers who came out to help!

We currently have openings for landscaping work, weekly, biweekly, vacation, or one-time property mowing, as well as monthly or biweekly garden bed maintenance.

Please contact Cory for a free quote or to discuss your property needs.
