

FREE EVENT for Children and Youth

Thursday July 23 from 1:00 to 3:15 PM

Burnett Bayland Community Center indoor gym | 6026 Chimney Rock Rd

A mathematical game for kids and youth ~4th grade and up to play, coached by teenagers who earn money for their teaching and leadership

By playing the game, kids...

- ... grow mastery of important mathematical concepts
- ... **have fun** while **developing teamwork skills**
- ... **make new friends** and **win prizes**

By teaching and organizing the game, teenagers...

- ... **gain confidence** in communicating mathematical ideas
- ... **develop leadership skills** alongside adult role models
- ... **earn money** using their knowledge and influence

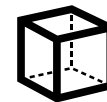

As adolescents and older elementary students play Rational Number Relay Race, younger kids can enjoy educational children's activities:

Story time

Arts & crafts

Hands-on math explorations

Limited capacity. Use the QR code or link below to register and save your place.
