If you are going to make it to the finish line in life and fulfill the vision God has given you, then you're going to have to make a choice: Even while facing setbacks, you're going to have to do exactly what God tells you to do-without taking shortcuts. God gave Noah specific instructions about how to build the ark: He told Noah to build it with cypress wood and seal it with tar. Make it 450 ft. long, 75ft. wide, and 45ft. high, with 3 decks & stalls throughout the interior, 1 door, & an 18in. opening all the way around the boat just below the roof. He told Noah how many animals & how much food to load on the boat. ("So Noah did everything exactly as God had commanded him") Genesis 6:22. At any stage of your life, you're going to be tempted to cut corners, take the easy way, skimp a little here and there, skip a step, fudge a little. God will tell you what to do, and you'll think how much easier & faster it would be to do it your way or that you know better than God, You'll follow through, but on your own terms. That kind of thinking will cause you to miss your purpose and God's plan every time. Why? Because partial obedience is disobedience. Can you imagine Noah trying to accomplish what God told him to do in his own way rather than God's way? But a dream from God will require God's blessing. And you cannot get God's blessing when you are disobedient. Noah did everything exactly as God commanded him. Do you want this to be true of your life? You have to decide that you will choose God's way for God's blessing even when it doesn't make sense.
