

THE LANDRUM WASHINGTON LEGACY FUND, INC.

The Landrum Washington Legacy Fund, Inc. is a 501(c)(3) nonprofit corporation organized to assist, inspire and empower high school graduates with exceptional talents, gifts and aspirations who have average grades to attain their educational goals of higher learning through our scholarship fund.

Our nonprofit organization was created to honor the life and legacy of Minister Landrum Washington who lost his physical life on May 8, 2007 in a tragic car accident at the age of 22 years old. During his short life, Landrum touched many lives through his religious convictions and extraordinary musical abilities. He became a licensed minister at the age of 18 and was a self-taught musician, writer, composer, and arranger. His life goal was to become a college professor. He was awarded his BS degree in Religion and Philosophy posthumously from Benedict College on December 7, 2007. Landrum Washington was committed to helping his fellowman and sharing the Word of God. He stated, "I am a man of God who *concentrates daily* on how I can be a better man for God and how I can be an example for young men and a product of older Men of God." We are honored to continue his mission and legacy.

The Landrum Washington Legacy Fund also aspires to expand in to targeting and tutoring high school dropouts to assist them in completing their requirements for a high school diploma or GED. The iThrift Store has been opened as a method to raise monies. Other methods of fundraising will include the sponsoring of car washes, talent shows, etc.
