

### A Comparison of Real Flowers vs. Silk Flowers

	Real	Silk (The Chattanooga Wreath Company)
Affordability	May cost in excess of \$7000-\$10,000 for bridal party and reception decorations	Our average wedding prices between \$500-\$1000
Quality	Beautiful and of high quality	A company that uses good silk and real touch flowers should present flowers that are of high quality and look real
Photographability	Photograph well	High quality silk flowers should photograph well and look real in photographs
Longevity	Short lived may live 1-2 days after the wedding	Forever! Silk wedding bouquets provide a lasting memento from your wedding day; Additionally, extra centerpieces can be repurposed into a wreath for your new home!
Bridal Involvement	Limited in nature- the Bride may see her flowers for the first time on her wedding day	Our brides are involved in every aspect of the design of their bouquet and throughout the creation process; many brides say that this was their favorite part of planning their wedding
		Brides receive their flowers several weeks to months prior to the wedding. This allows changes to be made and alleviates stress!
