MESSAGE FROM

THE DESK OF

CHAIRMAN

Academic excellence is not mere to become expertise in bookish knowledge but it is preparation of **life itself**. Real Education includes academic excellence as well as pioneer in problem-solving and effective communication skill, social and spiritual excellence that leads to all round development of personality as a successful leader.

It is like two wings of a bird means one wing as academic excellence and another wing is inner excellence. Balancing of life is ladder for success.

Our outstanding faculty continues to build on this excellence through widely-recognized research and a thoughtful approach to teaching in our friendly, student centered environment.

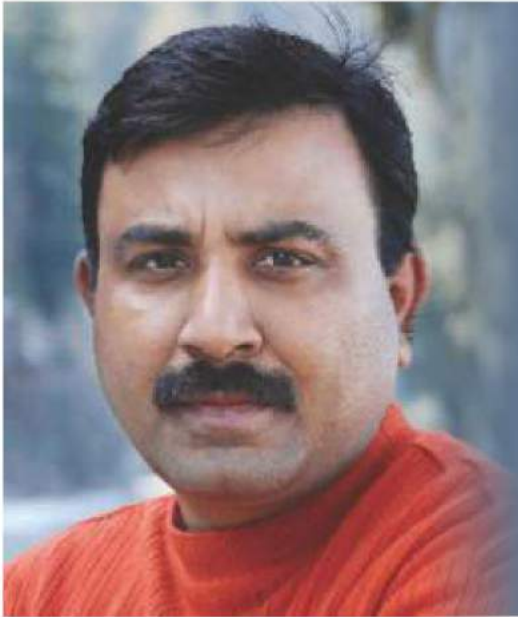

I am convinced; you will feel that TEMPL group of Institution is a right choice for your higher education. You will soon come to discover that it is an exceptional College filled with a warm and caring management, the faculty and staff member's enthusiasm and commitment to academic excellence is strength of college.

The faculty members are well trained to use latest scientific methodology for effective communication and teaching i.e. Ideal body language, Voice modulation, Presence, Empathy and Impact.

I look forward to celebrate with you at a Ceremony for successful after completion of your program of studies as a successful **scholar** from Institute for Education & Technical-sciences as well as from LSR Law Academy.

Dr. Mahavir Singh

Chairman

MESSAGE FROM

THE DESK OF

DIRECTOR

I have great pleasure in conveying my best wishes to all of you for this wonderful start of a great carrier. The TEMPL Group of Institution has a reputation for attracting the best students in their different departments. It is a matter of great pride that the college has made consistent progress year to year in academic and co-curricular activities.

Overall development of the individual is the goal of education and we all have to ensure that there is no stone left unturned to equip the student of today for the challenges of life. This will require tremendous self-motivation on the part of all concerned but will be fulfilling for the student as well as the faculty.

Our Educational program at the Institutes is designed to produce professionals who will make significant contributions to excel in their chosen fields. It prepares students for dynamic careers, typically as Leaders. Students gain theoretical and methodological sophistication from course work and practical knowledge conducted both with faculty members and independently.

Through their association with faculty, students explore the frontiers of academic excellence representing an intersection of the basic social science disciplines and the world of business practice. We believe in giving complete national and international exposure to our students making them ready to face all possible challenges in their bright career.

The faculty at College has always been a trend setter but what has also been noteworthy is the excellent support and commitment of the non-teaching staff. They will always guide you in right direction helping you achieve your goals.

I congratulate the entire faculty and other staff for encouraging and guiding the students in all facts, for their well-rounded development.

As Shri Rabindra Nath Tagore rightly said "Everything comes to us that belongs to us if we create the capacity to receive it".... We are committed to develop you not only for your materialistic capabilities but also your spiritual capabilities. Various programs for spiritual elevation make the perfect blend of quality education with spiritual elevation.

I wish you all the best for achieving greater success and scaling newer heights in your education and career ahead.

With blessings & good wishes,

Dr. Amit Singh Rohila

MESSAGE FROM

THE DESK OF

SECRETARY

It is a pleasure to welcome, on behalf of the entire TEMPL educational family, the new entrants to this young and energetic academic Institution. Among the TEMPL group the IET is rich with its 14 years of experience in education where highest quality education is delivered in most natural surroundings.

Over the years, TEMPL Group has evolved to reach and hold a unique position of pride in the NCR. The pursuit of educational excellence in a highly competitive environment is the benchmark of its academic system. I invite you to experience the unique environment at campus, which is a blend of tradition and modernity and is evolving continuously.

In just a span of 14 years IET has produced many quality aspirants and has a rich alumni base that has significantly contributed in the growth of society. The Alumni of the Institute have done exceedingly well in all spheres of life at both national and international levels and brought name and fame for themselves as well as to their Alma Mater. The Institute takes pride in their achievements.

Apart from academic activities, the co-curricular activities, sports, adventure, cultural and social-service activities, form important parts of the life of the students. This importance is well indicated in the spread of facilities at college campus.

I welcome the newly admitted students to the portals of this great educational institution and wish them a memorable meaningful and rewarding tenure and emerge as world-class perfectionists in their respective fields. I would urge upon them to prove as good human beings and worthy citizens of their great country, India.

With Blessings & Good Wishes

MESSAGE FROM

THE DESK OF

PRINCIPAL

I am delighted to welcome you to TEMPL group of Institutions. These are very special Institute. Our ethos and commitment of the highest standard in education have made it into the Ghaziabad's premier Colleges. I hope as you read these words and browse the website you will start to see just how special it is.

We set very high academic standards. Students come here and want to do their best. They work incredibly hard to achieve not only their hopes and dreams, but also the hopes and dreams of their families. Together, the culture we create is one of success. Our examination results are remarkable and students are found at all the top Indian Universities & Corporate Houses.

Life at IET is not just about academic brilliance; the great strength of the College is its sense of community. Our students come to us from all over India, but they share common bonds: they value learning, respect each other and appreciate the skills and expertise of their teachers. Students also find that the College is small enough to feel it is their home away from home. In this supportive environment we give young people the chance to develop the skills, self-confidence and maturity they will require in their adult lives.

Our pedagogy of our Institute not only provide academic excellence, but also a sense of Nationality with bonding to value learning, respect for each other and providing different skills and expertise to adjust and compete in the neck throat competition.

I welcome and wish that our students will enjoy their education and stay at TEMPL group of Institution i.e. IET & LSR.

TRAINING & PLACEMENT CELL

The goal of Training & Placement Cell is to provide employment opportunities, inviting placement agencies, to provide class training i.e. Group Discussion, Mock Interviews Practice, English Speaking Practice and other modern support to face the interviews successfully in leading organizations.

TRAINING

Pre-Final year students of Institute are to undergo a mandatory semester long internship in leading Organizations/Institutions as a part of their curriculum. This enables them to get exposure in tackling live problems that occur in the working of an individual entity. These internships, along with various industrial visits keep the students informed about latest industrial trends.

PLACEMENTS

TEMPL gives utmost importance to placement of students and the top management is actively involved in engaging industry and educational institutions at the highest level. During its short existence, the institute has built up excellent and extensive network of employer contacts for summer internship and final placement.

Placement activities at the institute are coordinated by its experienced Placement Cell, which is a unique initiative and aimed at providing comprehensive career & placement support for students and alumni. It acts as nodal point for all skill development and placement related activities. Through year-round programs of Lectures, Workshops, Seminars & Conferences, it tries to build-in the students the competencies and skill-sets that are valued by prospective employers.

The institute is managed by a group of experienced professionals who endeavour to act as the interface between the students and the institutions. They are supervised by the placement committee of the institute consisting of the Chairman, Directors among others. Students too actively involved in the placement process. All the reputed organizations are coming to the College for campus recruitment.

International Visitors @ campus Encouraging International Trainings & Placements

To achieve its goal, the Training & Placement Cell works towards recognizing the core competencies of students. It works through a close knit organization and has a structure which conveys information to the students at the fastest possible rate.

The Training & Placement Cell firmly believes in 'Industry-Institute Interaction'. In order to accomplish 'Industry-Institute Interaction', it organizes technical talks and national seminars to provide a platform for the budding managers/ educationists/IT Experts to interact with professionals from various industries. It encourages visits to the educational Institutes by the college students. It arranges for problems to be worked on by students as part of their projects. It also takes suggestions from members regarding designing/ changing of curriculum. Technical paper presentation contests are held in collaboration to discuss new developments and trends.

The TEMPL Group of Institutions have created a powerful model of teaching and learning. We are committed to continually improve the quality of our education programmes and providing a learning experience. Our Innovative learning experience blends flexibility and convenience from the learner's perspective. We call the experience "The TEMPL Edge". The TEMPL Edge is learner centric and puts the student at the core of experience that combines the Academic knowledge and Case Studies with practical experience.

There are many advantages too:-

PRACTICAL FOCUS

Provides leadership training as you learn in the class. The programme offered by TEMPL Group of Institutions are designed to ensure optimal integration of theory with practice. You shall be taught by high profile faculties and experienced specialists based on real world scenarios. The studies are characterized by their strong focus on practical projects.

RESEARCH

Teaching and Research are closely intertwined. New research findings are immediately fed into the teaching environment. At the same time, theories and methods are continuously being upgraded to reflect current business practice.

MULTI-CULTURAL SETTING

Your studies will take place in a multi-cultural setting. As a result, during the programme you will develop a feel for the specific cultural conditions and expectations that prevail in International Circles.

LEADERS FOR TOMORROW

Providing face-to-face networking opportunities with other students, faculty & business professionals and public personalities for socialization and career development process.

PERSONALITY DEVELOPMENT PROGRAM

We believe that our students should be 100% ready to meet the challenging requirement of today's competitive professional environment. At TEMPL we shall take special care in developing your personality cult to you which can create a strong positive impression about yourself during your interviews or in General. PDP program includes Personality Development, Communication Skill Enhancement, Psychometric Profiling, Confidence Building, Meditation, and Pre-Placement Workshops. Orientation Workshops, Regular participation in Conferences, Workshops, Convention and Summits being organized by professional associations.

EDUCATIONAL TOURS

At TEMPL we feel that to develop leaders for tomorrow every student needs out of campus the National and International exposure. Therefore we organize adventure tour for all students which shall give you the right exposure and understanding of Indian and International environments.

LIFE @ TEMPL
