WHAT IS THE PEARL?

In your Pearl sequence, you'll see key words that give you a clue about your vocation and your calling.

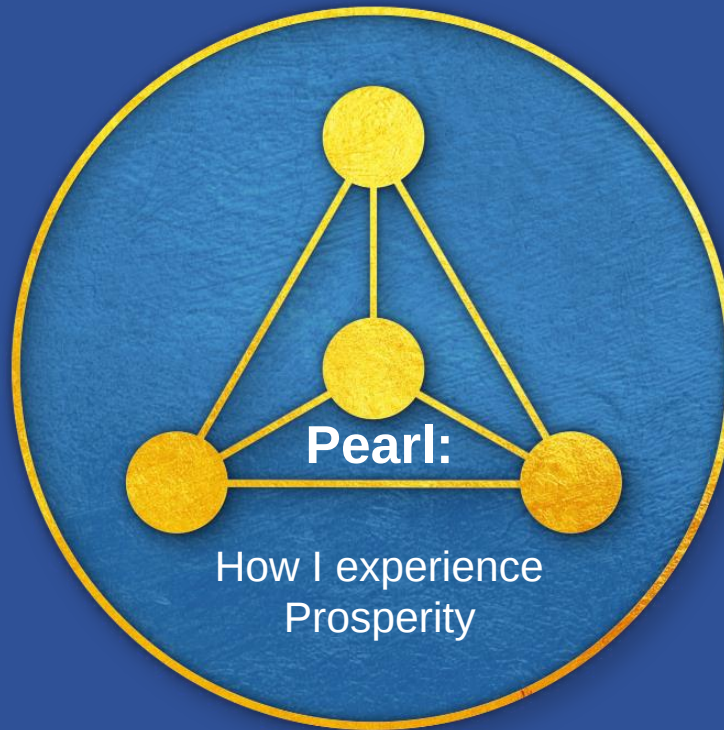

These key words hold energy, like an archetype, that give you insight into what you are here to do.

PEARL SEQUENCE: PROSPERITY

Brand:

How can we best serve
the whole?

Vocation:

What do I most
love doing?

Culture:

Who do I love doing it
with?

WHAT IS VOCATION?

The thing that you most love doing becomes your path towards enlightenment.

Your Sphere of Vocation reveals a journey of transformation from your deepest core wound into the unique talents you can bring out into the world.

The wounds are the things that prevent us from doing the thing we most love.

This sphere of vocation is where all our woundings lie that need to be cleared for our money, wealth and prosperity to grow.

WHAT IS PROSPERITY?

“Prosperity is felt inwardly before it travels outwards into the world of form.

Everything that flowers is designed to be offered back to the whole, to create a flourishing and an abundance.

Prosperity is designed to offer itself back to the whole. This is you prospering.

In ancient Chinese culture it's called wu wei, the art of doing nothing outside your own nature.

MY WOUNDS AND HEALING

Giving to Get

$$10\% = 10x$$

Desire for Financial Freedom

Fear of Homelessness

Final Revelation: It doesn't matter what I do in life, it only matters how I do it. Purpose (spiritual connection) and celebration are the root of my true prosperity.

BRIEF CONTEMPLATION

Write down...

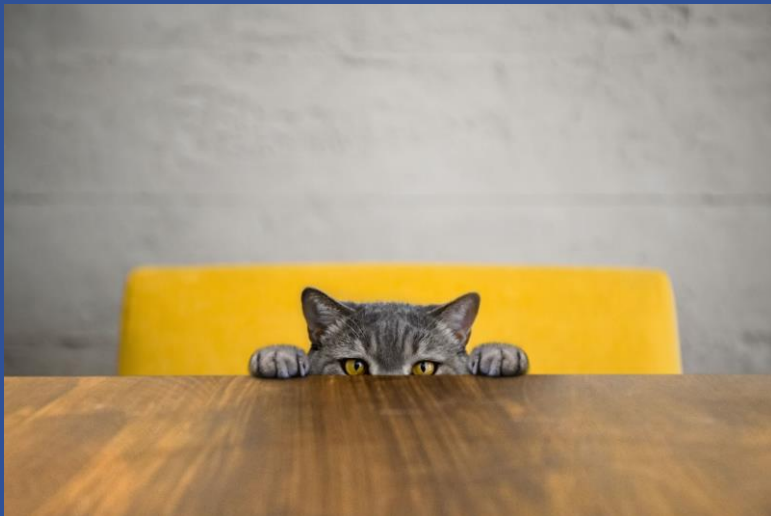

1. What does prosperity mean to you?
2. What fears or wounds do you have around prosperity?

PEARL SEQUENCE IS ALSO ABOUT SELF-LOVE

Reminder: My definition of self-love is...

Space & Curiosity

Space to be exactly where you are. Curiosity to see what else is possible!

DIAL UP THE ABUNDANCE

Assess where you are...

Dial up to where you are comfortable...

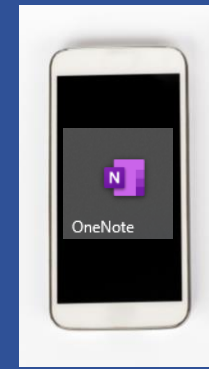

Allow what's possible.

CONTEMPLATION TIME

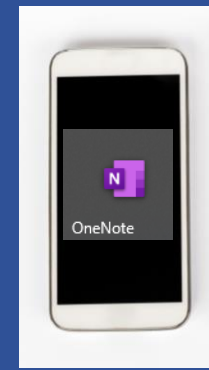

1. Grab your journal/paper & pen or OneNote or another app on your phone.
2. “Pause” and breathe in the oil scent of one of the spheres of your Pearl Sequence.
3. Breathe into your heart and then down into your body.

CONTEMPLATION TIME

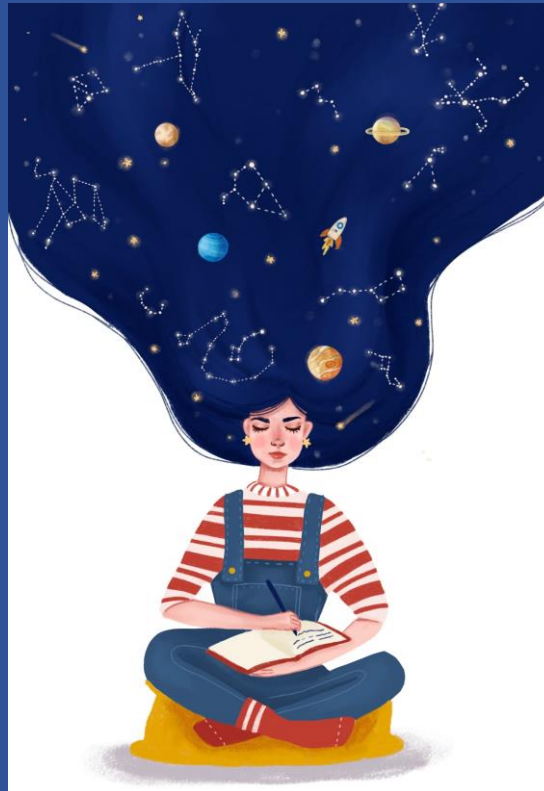

4. Ask yourself:

- What do I love to do?
- Who is on my team to do these things?
- How do one or more of these things best serve the whole?

5. Look from the heart and write what bubbles back up to the mind

COMMUNITY TIME

Share what bubbled up...
