

Private Photographer Rules

To ensure the safety of both our exhibitors and official vendors/photographers, the following guidelines will be enforced for all private photographers:

- A&S, the official photographer of the Aiken Horse Park Foundation, will have priority in positioning around the arenas and is the only photographer allowed inside arenas during competitions and awards ceremonies. Private photographers must yield to A&S when necessary.
- Private photographers may not place remote camera equipment in the ring or alongside the ring.
- Private photographers should not shadow A&S team members and should establish their own locations/shots so as not to interfere with the work that A&S team members are contracted to do for the show.
- Private photographers may not conduct portrait sessions on show grounds at any time during horse show hours.
- Private photographers may not have a trailer, vendor booth, or advertisements on property.
- Any infraction of this policy will result in the forfeiture of the fee and expulsion from the Aiken Horse Park Foundation.
- A Private Photographer may have 10 private clients per week and must provide those names 30 days (April 1, 2026) in advance of the competition. (Please email carolineb@aikenhorsepark.org your list of clients.) This list will also be provided to A&S photography.
- The Private Photographer will pay the 2026 Vendor Fee (\$1,000) to AHPF by April 1, 2026.

I understand the above rules for private photographers and videographers and will follow them accordingly.
