Ryals Family
Barn Dedication

Kevin, Katie and Bella Ryals live in Monroe, North Carolina on a small, private farm. While they didn't intend to ever use the barn to house animals when

they purchased the property, ponies and horses quickly became a passion for Bella and Katie. Now rescued ponies and miniature horses, as well as two of Bella's show ponies, call it home too. Since beginning her training with Bruce and Amy Christison, the family has spent a significant amount of time in Aiken and at Bruce's Field. It feels like a second home when we arrive in town for a show! The facility is so well maintained and makes each show special in its own way. We feel lucky to have a showground of this caliber within a short driving distance of our home and believe it is so important to support the Foundation to ensure it is around for future equestrians to enjoy!

The Aiken Horse Park Foundation would like to extend our sincere gratitude to the Ryals Family for their generous support of Bruce's Field.

Spay. Neuter. Adopt. Love.

Danny & Ron's Rescue speaks for helpless animals that have no voice. We began our rescue mission in 2005 after Hurricane Katrina by aiding dogs that were left homeless by the storm. Since then, our outreach has grown to heights we never imagined. Now we are rescuing puppy mill dogs, bait dogs used in dog-fighting, and hundreds of dogs from shelters—often moments away from euthanasia. We currently deliver pet food and supplies to more than 48 elderly people living in poverty—and pay for their dogs' medical bills, too. We have rescued dogs from junkyards and shelters, freed animals chained to trees and living in small cages, and saved abandoned pets living on the streets.

Connecting vulnerable dogs with their forever families, one adoption at a time.

Trainer's Incentive **Sponsored by Perks With a Twist**

For the second year in a row, our wonderful onsite food vendors, and treasured members of the Bruce's Field team, Perks With a Twist, sponsored the "Trainer's Incentive". A \$1,000 prize for the trainer with the most stalls over both weeks at October at Bruce's Field. This year MarketMoor, LLC. won the count, and true to form, they have graciously donated the \$1,000 back to our Hurricane Helene relief efforts in partnership with the Kisner Foundation. This puts our combined charitable contributions for both weeks of October at Bruce's Field just at \$10,000, the most we've ever raised at this particular horse show! Thank you to all who have donated and supported over the course of these past two weeks. If you'd like to continue to donate to local Hurricane Helene relief efforts, please visit kisnerfoundation.com/donate
