It was a busy day for Foundation President Jack Wetzel and ACHS Chair Shawna Dietrich as they made the rounds to the 3 featured charities from this past May's Charity Horse Show. News Channel WJBF's Shawn Cabbagestalk went along for the ride and shot this footage of today's presentations. [Aiken Horse Park Foundation gives back to All America City](#)

Thanks to the support of our organizers, sponsors, and volunteers we have been able to raise \$30,000 to be distributed equally to The Community Medical Clinic of Aiken County, Friends of the Animal Shelter, and Aiken Senior Life Services. They all serve our community with distinction. Each organization in its own unique way supports underserved two legged and four legged residents in and around Aiken. It is indeed an honor to be able to present each organization a check for \$10,000.
