We are so excited to welcome all of our friends back to Bruce's Field! We are working extremely hard to make this year's experience the best yet. Since 2019 we have been quietly laying the groundwork to kick off a capital campaign that will enable us to house more of our four legged friends in permanent stalls and to improve the competition layout by building a brand new featured events arena more aligned with the center of the venue, while also providing more schooling space in the Hunter 2/3 schooling area.

We have not yet raised all of the funds to complete this work, but in order to have in place many of these improvements prior to Aiken Charity 2022, we have been extremely fortunate to develop a solid relationship with Security Federal Bank here in Aiken, thus allowing us to forge ahead while we continue to fund-raise.

We hope each of you, as stakeholders in Bruce's Legacy will consider participating in our fundraising efforts. There are myriad ways and levels that everyone can support the campaign to help ensure that Bruce's Field is not only sustainable but a special venue for all to enjoy.

While we are progressing nicely, we remain an active construction site, and we ask for your patience and cooperation as we balance our expansion and running of the competition. Parking will be tight, and as such we have hired a parking liaison who will both assist and direct people to designated parking areas. Please help us help you to have a smooth and enjoyable experience.

## Friday, May 6th

### **THE NEXT CHAPTER**

Two barn dedications took place Friday evening, May 6th, following the conclusion of the \$25,000 Aiken Charity RBD Hunter Classic. Thanks to the generous contributions of Jack Wetzel and Dayle and Ed Fortino, the **Mr. D** and **Fortino's Shedrow** barns were unveiled!

Jack Wetzel, president of the foundation has from the beginning been a loyal supporter of Bruce's Field both through financial contributions and by his leadership. He continues to steer the foundation's mission to remain faithful to Bruce's dream. Jack's decision to name his barn "Mr. D" is a testament to his close friendship with the late Richard L. Duchossois. Dick Duchossois was also a staunch supporter of the Aiken Horse Park Foundation and would be most touched to see his name on one the new barns.

It was a great honor to host Dayle Duchossois Fortino and her husband Ed this past weekend during the Aiken Charity Horse Show I and for them to attend the unveiling of their barn that they so generously gave in support of the Next Chapter Capital Campaign. Ed Fortino, a thoroughbred owner and knowledgeable racing enthusiast, chose his and Dayle's barn name as an homage to the race track's back stretch. "**Fortino's Shedrow**" is proudly positioned next to "**Mr. D**".

### THE NEXT CHAPTER

On Thursday, May 12th, the fourth barn of the Next Chapter Capital Campaign was named!

The Ingram family has been coming to the Aiken Charity Horse Shows for several years and continue to bring their amazing string of hunters to compete in all of the hunter divisions. Along with his daughter Martha, John competes at the most prestigious shows throughout the country and knows how important it is to have a quality facility. When the Ingrams heard that there were new barns being built, they were the first ones to step up and be supportive by naming their barn.

"The Aiken Horse Show is really just such a breath of fresh air, for us particularly coming from Florida. The facility is beautiful, and it really takes us back to the old-fashioned horse shows, while bringing it into the future, which we all know was Bruce's vision. It's just such a joy to be here, and we know everyone wants to come back, we just really love it."

**Sustainability was Bruce's Goal**

*He wanted to build a community resource, a community asset for generations to come. Bruce always tried to do the best he could with his animals, with his friends, and with his competition. We are dedicated to his wishes and committed to taking Aiken Horse Park, Bruce's Field, to a never ending higher level of attractiveness and of competitiveness.*

- Craig Duchossois

Since the beginning of 2020, and with encouragement from [Green Is The New Blue](#), Bruce's Field has made a commitment to demonstrate best practices and environmental stewardship during events. We are limiting the use of single-use plastics by providing water stations at all of the in-gates, show office, and the hospitality tent. We hope everyone will take advantage of these resources by using their own refillable water bottle. Recycling whenever possible and water conservation, are two additional initiatives that you and your staff are asked to consider during your daily routines. Please help us support green practices.

## THIS YEAR'S BENEFICIARIES

At Children's Place, our mission is to protect, heal, and strengthen children and families from the impact of trauma and other adverse experiences through education, treatment, and prevention services.

Great Oak provides equine assisted activities that promote the physical, emotional, and psychological health of individuals with special needs. At Great Oak, we change lives. Our programs are the catalyst for unbridled personal growth and awareness. We share our knowledge to empower individuals and their families.

Volunteers from Children's Place will be on the back porch of the show office each morning, serving coffee and breakfast pastries from 7 - 9. Be sure to stop by!

Great Oak "Go Getters" can be seen assisting all around the horse show! From the merchandise selection to Winner's Circle decorating, they're always on the move.

Thank you to all our wonderful volunteers!

## TRIP OF THE DAY

Congratulations to all our riders from Week I, on their excellent trips and earning \$500 each and \$100 for their groom!

We have to send a HUGE thank you to **Jill Grant**, **Paige Fluornoy**, and **Rebecca Galbraith**, for sponsoring this year's Groom's Award. It takes a village to have a successful show weekend, and we are thrilled to be able to recognize all our super grooms for their massive contributions to this industry.
