

DOG DAYS OF SUMMER

LATE SUMMER NEWSLETTER

August, 7, 2020

South Carolina summers are long, however this summer in particular seems to be even longer. Maybe it is the desire that the change of season will also provide new hope in healing our world, or perhaps it is just the longing to enjoy the outdoors and the crisp days of low humidity that September faithfully brings each Fall.

The health and economic crisis that began in early spring continues to deal significant blows to both individual and community sense of well being. Despite the uncertainty, there is a silver lining, especially for those of us who are lucky enough to have enjoyed extended time with family and pets. This Dog Days of Summer Newsletter pays particular homage to man's best friend. Many of us have truly found relief by spending more time with our favorite animals by our sides.

The cancelation of the Aiken Charity Horse Shows this past May created a financial burden, not only for the Aiken Horse Park Foundation but also to those in the equestrian industry who count on events such as ours for their livelihoods. These cancellations have forced us to tighten our belts and adjust our budget for the remainder of the year and 2021 as well. Having said that, we are thrilled to be able to add several quality events to our calendar this year and we continue to make plans for the long-term sustainability of Bruce's Field.

More than ever we believe that Bruce's Field will play a key role in Aiken's future and it will continue to play an important role in fostering the health and well being of equestrian competition locally and nationally.

Our friends at the Aiken Steeplechase Association advise that despite the unfortunate cancellation of this past March's signature event, and their Fall Meet, they remain committed and excited about their future move immediately following their Spring Meet in 2021. Clearing and excavating of their new property is ongoing.

The Steeplechase move provides plenty of exciting new options for us! We plan to expand our events calendar and upgrade our current facility. The prospect of taking advantage of the full 66 acres is an enormous opportunity for us. Our plan promises to create long-term benefits including multi-use access both to discerning equestrians and community organizations, but will only come to fruition through the benevolent support of our competitors, local leaders, corporations, and old friends of Bruce. We look forward to sharing more details with everyone very soon.

SPLITROCK JUMPING TOUR

AIKEN INTERNATIONAL CSI₂*
NOVEMBER 4 - 8, 2020

We are so excited to be partnering with Derek Braun and his team at the Split Rock Jumping Tour to bring Aiken's very first FEI Show Jumping competition.

Split Rock shows are so highly regarded and are a perfect fit to build on our desire to provide an intimate and welcoming competition experience; providing hospitality, putting the exhibitor first, and giving back to our community. This year's show will feature:

\$100,000 FEI Grand-Prix
\$37,000 1.45 Restylane Welcome
\$10,000 1.40 Speed
\$20,000 Restylane National Prix
\$5,000 1.35 Winning Round
\$2,500 1.25 Mini Prix

Now in its sixth year, Split Rock has been revolutionizing the way the sport of show jumping is presented in the U.S. and has been creating a truly "unparalleled show jumping experience" for competitors, sponsors and spectators alike. Competing in the SRJT is unlike any other American horse show experience. SRJT competitions offer top prize money, extravagant awards, special entry packages, and numerous first-class amenities not typically found at any other horse show.

We are thrilled about adding the new Aiken International CSI2* to our 2020 Tour. Aiken is such a traditional horse community, it deserves a really special event and that is what we plan to give them. The horse show world loves everything about Aiken—the Horse Park, its restaurants and hotels, and it is such a convenient location for exhibitors to get to right from the National Horse Show in Lexington or from Tryon or on their way down to Florida.

Derek Braun, Founder and CEO, Split Rock Jumping Tour

The Aiken International CSI2* will host a variety of national and international level show jumping classes ranging in height from .85m to 1.45m with divisions for young horses, children/adult, junior/amateur and top professionals.

Split Rock Jumping Tour offers customizable sponsorship levels in order to create a tailor-made sponsor experience. To further discuss sponsorship and hospitality opportunities for any of the Split Rock Jumping Tour events, please contact Meg Krueger at meg@splitrockjumpingtour.com

AIKEN FALL CLASSIC
NOVEMBER 12 - 15,
2020
USEF A, LEVEL 3

FEATURING ZONE 4
FINALS
classiccompany.com
(exciting details to follow)

Aiken is indeed a unique community. Steeped in equestrian history, the horse is a revered treasure to a town that features stop light buttons conveniently set at the height of riders, 21,000 acres of preserved forestland with 70 miles of riding trails complete with jumps, and stables in most back yards. There are stately homes, and quaint cottages intermingled throughout the historic district. The fall is a splendid time to spend in Aiken, as the heat of the summer has passed but the warmth of the ground continues to radiate. Horses are

everywhere, as polo is in full swing, local foxhunts are cubbing, and the training track welcomes back thoroughbreds from northern race tracks.

We hope you will consider making plans to spend both weeks of our November shows with us this year and see for yourself why Aiken remains an idyllic town for all lovers of equestrian sports. [Aiken International](#) and [Aiken Fall Classic](#)
