GIVING TUESDAY

Tuesday, November 29th, 2022

As we reflect back on 2022 we are grateful for the incredible support we've received from our community of competitors, spectators, civic leaders, and Park supporters. During 2022 we constructed 10 barns, built a new ring, began work on landscaping and reshaped the look and "feel" of Bruce's Field, as we cleared rails and more fully utilized all 66 acres now that the Steeplechase has successfully relocated to their new facility.

Our donors have been absolutely fantastic! In addition to a rapidly growing array of park sponsors, we have benefitted from generous gifts both large and small. We are heartened by the community's embrace of our mission to provide a nationally renowned competitive equestrian facility, which will increasingly support community involvement and support for local charities. Our unique Charitable structure allows donors to structure tax advantaged donations which in turn furthers the virtuous circle related to "sustainability". This increases our capacity to make a uniquely positive impact to our community.

As you think about year end "giving" please know that we are incredibly grateful for your past support which has been critical in taking our mission to "the next level". For 2023 we are focused on retiring our debt which we used to jumpstart 2022 construction, as well as beginning plans for landscaping and storage and parking improvements. Longer term we will continue to look for ways to refine existing and provide additional horse park amenities.

In conclusion, we feel incredibly blessed to have come this far and please know that we couldn't have done so without your enthusiastic support! Much work lies ahead, and we are enthusiastically looking forward to maintaining momentum. Please keep us in mind for continued long and short term support!

Bob Hottensen,

Bobby
