without whom non of our successes would be possible

The Aiken Horse Park Foundation (FEIN: 46-3094151) is a not-for-profit, tax-exempt organization described in section 501(c)3 of the Internal Revenue Code. The Foundation is registered with the South Carolina Secretary of State in accordance with the State's Solicitation of Charitable Funds Act; registration may be confirmed on the Secretary of State's website, under registration number P27340.

It may be hard for some to say good bye to 2022, but for all of us at Bruce's Field we say "Bring in 2023 and away we go!" Our 2023 winter schedule is action packed, offering just about everything: **Schooling Days, Dressage Shows, and Hunter/Jumper Shows**, followed by the centerpiece of the

Aiken winter season, the **\$50,000 Grand-Prix Eventing Festival** in March.

The Aiken Horse Park Foundation is not all about horse shows. In fact we like to think that we produce horse shows with a heart! All of our events team up with a fellow non-profit community partner to help raise awareness and funds for their cause. This past year we were able to give back \$50,000 to area organizations.

We continue to assist **Aiken Technical College** to refine a curriculum for an equestrian certification program in an effort to support Aiken County's growing equestrian industries.

Later in January we will be welcoming our first intern to the AHPF team. An equestrian enthusiast, Wiebke is a student at Lower Saxon University in Hanover, Germany. She will have a variety of opportunities to work in event management, non-profit work, and administration. We fully expect that Wiebke will leave Aiken with a well-rounded knowledge of how a non-profit organization and an equestrian event venue operates.

While deep in preparations for Grand-Prix Eventing and The Aiken Charity Horse Show, among other initiatives, we remain dedicated to improving our facility. We have raised **\$5.18 million** towards the **\$7 million Next Chapter Capital Campaign** goal. We are also developing a comprehensive landscape plan to complement the new barns and competition arena. We will be using additional campaign contributions to retire our loans and provide fresh capital to execute on our 2023 projects.

We await final approval from the IRS before we can publish the **Annie Goodwin Rising Star Grant** application but we are optimistic that we will receive notification very soon. We are extremely grateful to the selection committee for offering their time and energy to help select a deserving candidate.
