**AIKEN, SOUTH CAROLINA**– The Aiken Horse Park Foundation is pleased to announce that the Classic Company is moving The Atlanta Summer Classics to Bruce’s Field for 2019.

**The Classic Company** produces world-class equestrian show jumping competitions spanning four states, five venues and run for seventeen weeks each year. Bob Bell, President and founder of the Classic Company, produced his first Classic Show in 1987 and quickly gained a reputation for running competitions that provide substantial prize money, award-winning facilities and courses, quality competition, and the best customer service in the industry.

Members of the AHPF Board of Directors view this new fixture at Bruce’s Field to be a wonderful addition to the growing list of events. In particular, The Classic Company shares the board’s philosophy in producing exhibitor-centered events infused with hospitality.

Upon finalizing an agreement with the Foundation, Classic Company president Bob Bell remarked -

*“I am excited to run a horse show at Bruce's Field in the heart of historic Aiken. The opportunity to produce an event that follows the very successful Aiken Charity Horse Shows is incredible. I look forward to providing Aiken with a unique Classic Company horse show and to be able to offer the equestrian community another great reason to come to Aiken.”*
