Private Photographer Rules

To ensure the safety of both our exhibitors and official vendors/photographers, the following guidelines will be enforced for all private photographers:

- A&S will have priority in positioning around the arenas and is the only photographer allowed inside arenas during competition and for awards ceremonies. Private photographers must yield to A&S when necessary.
- Private photographers may not place remote camera equipment in the ring or alongside the ring.
- Private photographers should not shadow A&S team members and should establish their own locations/shots so as not to interfere with the work that A&S team members are contracted to do for the show.
- Private photographers may not conduct portrait sessions on show grounds at any time during horse show hours.
- Private photographers may not have a trailer, vendor booth, or advertisements on property.
- Any infraction of this policy will result in the forfeiture of the fee and expulsion from the Aiken Horse Park Foundation.
- Private Photographer may have 10 private clients per week, and must provide those names 30 days in advance of the competition. (please email tara@aikenhorsepark.org your list of clients). This list will be provided to A&S photography as well.
- Private Photographer will pay 2025 Vendor Fee (\$1,000) to AHPF

I understand the above rules for private photographers and will follow them accordingly.
