Work Party

Date: Saturday, **August 15th**

Please email weirich.kevin@gmail.com to confirm your attendance

Time: 9:00 AM until finished

Projects planned include:

Paint the building.

Weed eating around:

- All backstops
- Club building

Driving new posts on the **500-yard range** to keep targets secure.

Glossy Buckthorn removal. The area we would like to focus on is between the 200 and 400 yd ranges to the east, the stem needs clipped and then sprayed to kill the plant, a great 2 person task. [Glossy buckthorn](#)
