MADISON SMALL GAME ASSOCIATION

Madison Small Game Association Inc. Newsletter for Meeting of January 5th, 2026

Meetings

Meetings are normally held on the first Monday of each month (unless that falls on a holiday, in which case the meeting will be the following Monday) at the Club. **Thirty-Six** members attended the January meeting. The next meeting is scheduled for **Monday, February 2nd**. All members must have a signed Liability Release on file.

-On the January 5th meeting we talked officer elections. We had no volunteers for help with Treasury and Secretary.

-Yearly dues are attached to this email as well. Letters will not be going out this year. If you have a friend that doesn't come to meetings or have an email, please let them know what they owe or have them reach out to a board member. Dues are to be paid on or before March 2nd 2026 meeting. Any unpaid member will be considered nonactive.

-We are working on updating the bylaws and rules of the club and will have a copy for all members in the new year. We will need to make sure each member attends a meeting to receive a copy.

-It was brought up members have not been signing in and out when hunting or shooting. Sign in/out sheets are next to the door and need to be filled in each time a member is coming to hunt or use the range.

-During deer season no parking is allowed East of the pond. Driving outback was voted to only be permitted to drop corn or retrieve a deer. Please be respectful of others in the woods. When you need to drive outback try to stay between 10am-2pm or after dark.

Club Projects

Future projects include siding the clubhouse, repairing and enlarging the parking lot, and installing a new heater. We are also looking to replace some of the older tables with lighter 8' plastic folding tables. If you have a contact for a good price on these, please let us know.

Grounds & Maintenance

Work continues on the access road to the club with new posts and railings being installed. The woods behind the 50-yard backstop need thinning to help them dry out, and with summer growth, weeds and grass need attention. It's a great time to get your work hours in by helping with property maintenance.

Club Rentals

Club rental is **\$75**. If you have requested to rent the club but are not on the list, please let us know. Members are reminded to clean up after use and remove all garbage.
