Welcome to 5th Grade

May 2025

Dear Incoming Fifth Grader and Family,

I am beyond excited to be your teacher next year, and I cannot wait to learn and grow together. Fifth grade is a special year full of new math and reading challenges, exciting U.S. discoveries, and opportunities to become leaders in our school and community. But fifth grade is about more than just academics, it's also a time to grow in faith and discover how we can live out our faith through kindness, service, and prayer. Fifth grade is going to be one of the best years yet at OLPH.

To ensure you're ready for fifth grade, I am encouraging you to practice math and reading over the summer. Practice makes perfect...20 minutes a day can make a huge difference and your brain will appreciate it when we are diving into deeper challenges.

Summer To-Do List:

- ☐ Take a selfie of you exploring and be ready to share about it
 - Please Email it to bzanimovich@olpht1.org
- ☐ Read an AR book and be ready an AR test and in class book report
 - Be ready to share what you loved (or didn't) about the story, and tell us about the characters, setting and main events
 - Visit (ARBookfind.com) to make sure it's an AR book
- ☐ Practice Math Facts:
 - MathFactMaster.com
 - MathPlayGround.com
 - ToyTheater.com ← Great for Multiple Subjects

Enjoy your summer and don't forget to play outside and explore! I am looking forward to seeing your smiles and hearing about your adventures. When you're not exploring, don't forget to read, practice your math facts, saying a little prayer each day! May God bless you and your family. I can't wait to see you in fifth grade!

Blessings,

Mrs. Zaninovich
