

Schedule attached

January 2020

Dear School Altar Servers and Parents:

Attached you will find the altar server schedule for the Masses held at school this year. There is also a list of servers by grade. Please mark your planners and home calendars so that you will remember your dates. Since we have so many willing altar servers you may not be on the schedule as much as you had hoped, but as the years go on you will be added in more and more.

School servers must be trained at OLPH and may serve weekend Masses here or at another Catholic parish. If you are not on the weekend Mass schedule at OLPH and would like to be scheduled, please contact Veronica Johnson in the church office. This will give you much more practice and allow you to work up to lead altar server more quickly.

Servers, when you arrive at school on Mass day, take your books to your classrooms, and then come to the church at 8:00 am to prepare. Please enter the church silently. Remember, to choose an alb that reaches just above your shoes even with the cincture tied. At about 8:15 am, after dressing, pick up the cross and candles, and then meet Father Hector at the main doors at the front of the church.

At the end of Mass, you will return to the altar area to take directions. Be sure to replace albs and cinctures neatly in the closet. Please do not leave until you are excused.

If you cannot serve a Mass, please inform your teacher and Mrs. Naworski so a sub can be arranged.

If you are on my school altar server schedule and do not plan to altar serve, please contact me to take you off the school list. For church altar serving please contact the church office.

Thank you for sharing this ministry and helping to make our school liturgies a prayerful experience. Your service and dedication are greatly appreciated.

God bless you.

School Mass Altar Servers 2019-2020

Servers by Grade

Newly trained servers have been added to school Masses and will start out as candle bearers. Veteran servers will help new servers in each Mass.

For more opportunities please sign up at the Church Office as a weekend altar server.

Grade 3 New to serving

Many 3rd graders have signed up and a training will be scheduled in the spring. With so many willing altar servers there isn't enough room in the school Mass schedule to add more this year.
