

WELCOME TO FOURTH GRADE

Dear Future Fourth Grader & Family,

I'm so excited to be your teacher next year. Fourth grade is a big year filled with learning, growth, and new adventures. We'll dive into California history, explore exciting novels, strengthen our writing, and sharpen our math skills. It's going to be a meaningful, fun, and faith-filled journey together.

To help you get ready for a successful school year, I've put together a few things you can work on over the summer. These are meant to be helpful, not stressful. A little practice here and there can make a big difference!

This Summer

Read a book of your choice and be ready for your first AR test.

Practice multiplication & division facts. Try these:

- Math Fact Master (iOS)
- Math Playground Flash Cards.
- Toy Theater Math Facts

I can't wait to meet you and see all the amazing things you'll accomplish in 4th grade. Until then, keep learning, exploring, and enjoying your summer. You've got this!

With joy,
Ms. Rodriguez
