

Hello parents,

I would like to introduce myself; I am Jesse Garcia an independent chef and I provide hot lunches daily for Our Lady Of Perpetual Help Catholic School.

Hot lunches do need to be paid in advance. I accept checks made out to Simple Flavors. Credit cards can be accepted in person by me, in the cafeteria before 8:00am every morning. I also have Venmo, Apple Pay, and PayPal. When using an electronic payment be sure to add students name and grade. Parents have the option to pay daily, weekly or monthly. Once a payment is made, I will create a lunch profile for the individual student and will keep track when the student personally receives a hot lunch. I also will have extra hot lunches available for those emergencies, for any student who forgets a cold lunch from home, misplaces or drops their lunch. It will be my responsibility to provide any student who needs a hot lunch. I will personally notify parents through text or a phone call for those who owe payment for a lunch or need to reload money in a student lunch account for those who pay weekly or monthly

\$7.50 for 1st grade to 8th grade lunches.

\$6.00 for T-K and Kindergarten lunches.

\$4.00 for Busy bees and little dolphin's lunches

Please feel free to contact me, if you are new to the school and need to set up a lunch account or for any questions, concerns or diet restrictions,

Best way to contact me is through my cell (661) 742-8618. Call or text, and I would reply as soon as I'm available.

Thank you
