

Campus Ministries at OLPH School

Our Lady of Perpetual Help School has opportunities for students and families to participate in our faith throughout the school year. First of all, if you or your family is interested in receiving the sacraments, we can get you into the classes you need for Baptism, First Holy Communion, First Reconciliation (Confession), Confirmation and even Matrimony! We work closely with the Church to help families access these opportunities so that they can continue on the faith journey that God has laid out for them.

Campus Ministries also organizes the school Masses and the school altar servers and Extraordinary Ministers of the Holy Eucharist. We work with students to read the liturgies and understand their roles as servers in Mass.

Our Annual canned food drive is called Can Do. In the spring we organize the collection of food for the local St. Vincent DePaul Society. Each year generous students, families and parishioners bring much needed food to help those in need.

The National Day of Prayer is the first Thursday in May. To commemorate this day and to pray with our fellow countrymen across the United States of America, OLPH holds our own Prayer Breakfast where the students and staff come together to pray for our nation.

The OLPH Alumni Scholarship is offered each year for seniors in high school who graduated from OLPH. The winning applicant must show their growth in faith and community service for an award of \$750 awarded by the School Foundation, Parents Club and Student Council of OLPH.
