Sun Safety

It is usually very sunny in the summer. There are a few things that you should know in order to protect yourself from the sun's rays. It is important to wear a hat and sunscreen if you are going to be outside for long periods of time. Sunglasses are also good for protecting your eyes from the sun. It is also a good idea to drink lots of water to stay hydrated when you are playing outside in the hot sun.

1. What should you wear if you are going to be outside in the sun?

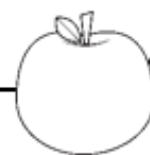

2. What can you wear to protect your eyes?

3. Why is it important to protect yourself from the sun?

4. Write a sentence about a time you were in the sun for a long period of time. What happened?

Going on a Picnic

Have you ever gone on a picnic? A picnic is a meal that you eat outside. You might bring a picnic basket with all kinds of food in it to a park and eat on a blanket. Parks usually have picnic tables as well in case you don't want to sit on the ground. Popular picnic foods are sandwiches, fruits, vegetables, and other finger foods, but you can bring whatever you like. It is nice to enjoy a meal outside on a beautiful summer day.

1. What is a picnic?

2. Where might you have a picnic?

3. Why do you think "finger foods" are popular choices to bring on a picnic?

4. Write a sentence about a time you went on a picnic.

A Day at the Zoo

I love going to the zoo to see all the interesting animals! The giraffes are so tall and the elephants are huge. I like to watch the monkeys swinging around on the tree branches. There are even polar bears and penguins in a special area. The zookeeper takes care of all the animals and makes sure they are fed and happy.

1. What kind of animals can you find at the zoo?

2. What does the zookeeper do?

3. What do polar bears and penguins need in their environment that might be different from what the other animals need?

4. Write a sentence about a time you went to a zoo or saw an interesting animal.

Summer Sports

The summer is a great time to play sports outside. Soccer, baseball, volleyball, swimming, and skipping are a few summer sports that people enjoy. Some children join sports teams and play competitive games against each other and some just play for fun. Parks, fields and meadows are great places to throw a Frisbee or kick a ball around. Summer is a great time for outdoor sports!

1. What are some sports you can play in the summer?

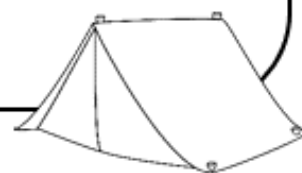

2. What do some children join in the summer?

3. What do you think competitive means?

4. Write a sentence about a summer sport that you have played.

Camping

Many families go camping during the summer months. When people go camping they usually sleep in a tent and use a sleeping bag to keep warm at night. Campers make a fire and cook their food on it. Sometimes they roast marshmallows on the end of a stick. If you are going to go camping you should bring bug spray and sunscreen since you will be outside most of the time.

1. Where do campers sleep?

2. How do campers cook their food?

3. Why do you think it's a good idea to bring bug spray and sunscreen when you go camping?

4. Write a sentence about a time you went camping.

Fireworks

Fireworks are bright light displays that are often used to celebrate special days and holidays. The sky is filled with bright lights of many different colors.

Fireworks work best at night when the sky is dark so we can see them better. Some cities have large fireworks displays on certain holidays. If you are close enough, you will hear a popping or booming sound as the fireworks go off.

1. When might you see fireworks?

2. Why do fireworks work best at night?

3. Why wouldn't fireworks be very good during the day?

4. Can you think of any special days when fireworks are used?

Swimming

Do you like to go swimming? Many kids go swimming a lot in the summer because it is hot outside. To cool down they swim in a pool or at a beach. During the winter months people can swim in indoor pools, but when the summer comes, it is fun to swim outside! You may also want to wear a life jacket to keep you safe.

1. Why might kids go swimming in the summer?

2. Name two places people can swim.

3. Why do you think people don't swim outdoors in the winter?

4. Write a sentence about a time you went swimming.
