PROOF OF AGE DOCUMENT

An application for pension benefits must have a proof of age document.

A birth certificate (issued from the Department of Health) should be furnished with the application. For those cases where a birth certificate (issued from the Department of Health) cannot be provided, then proof of date of birth may be provided to the Board of Trustees by replacing the birth certificate with one of the documents listed below:

1. Driver's license or state issued identification card
2. Passport and date issued
3. DD Form 214, Certificate of Release or Discharge from Active Duty
4. Form 2458 from Social Security Administration advising date of birth they used in order to award benefits
5. Naturalization papers and date issued

The Fund Office reserves the right to request, inspect and copy an original, certified copy or notarized copy of the furnished document(s).
