

## REDDING TRAILDUSTERS MARCH 2024 NEWSLETTER

Greetings Traildusters

We hit the ground running to get things going for this year. Our first general meeting with our new board is now in the books. Also, the first planning meeting for this year's chili cook-off was very productive and the number of people that turned out was very encouraging. The chili cook-off is the biggest event of the year and requires a fair degree of planning with multiple volunteers stepping up to head committees. I'm happy to say that we have chairpersons for all the committees except for Friday night dinner and Sunday morning breakfast. Aside from that, planning is off to a great start. I wish to thank everyone who attended that first meeting. However, we still need participants to help on these committees. All help is appreciated.

Anyone

who wishes to help on any of the committees can contact me by email:

scoutandrocky@gmail.com or by phone: (530) 941-1413 and I will get you in touch with the chairperson of the committee on which you wish to participate. The next meeting for the chili cook-off will be at 5:30pm on March 5th prior to our general meeting.

Greg Hogle reported to me the Valentines Dinner Dance was a success. Attendees enjoyed a scrumptious dinner followed by dancing to live music. Thank you, Greg, for putting together a great event.

Our head of membership, Sharon Lopes, is organizing monthly club orientation meetings for our new members and anyone else who wishes to attend. These are information meetings about how our club works, planning our outings, when we sign up for an outing, and general information to help new members enjoy the friendship and camaraderie that membership offers. Just a reminder to all Trailduster club members that VOLUNTEERS are the backbone that makes our club work. Getting involved with the club is a great way to meet fellow traildusters and have fun along the way. So come on and have fun by volunteering.

## Trail Boss Report

Thanks to Greg and his Crew for a great Valentines dinner and dance. I was unable to make the event but I was able to check it out that day and as the event wound down. Looked like a lot of people having a lot of fun. Well done.

Now on to the next event to be hosted by the Wonderchecks and co-hosted by Curt Rhyne and Jill Wyatt. The event will take place in Paradise at the Elks Lodge. The dates are April 11-14 and sign ups will be March 5th prior to our monthly membership meeting.

May brings with it a bit of bad news. We cancelled the outing in Truckee as the cost for camping alone would have been 330 dollars plus the long haul. I can tell you that I have a couple irons in the fire but it is rough going. It becomes even harder when we have fewer and fewer people stepping up to host and Co Host. I have one iron in the fire at Rolling Hills Casino and if you have any feedback on that or would be interested, please let me know

June is our Chili Cook-off and plans are on the way. Please remember. HOST is the one to assign camping spots please do not buck the system because you want a certain spot. Go through the Host

July 11-14 will take us to the Southern Oregon Rv Park which appears to be a very beautiful place. The price is very good and we have 30 spots reserved. A perfect opportunity for some member to Step up and Host their first event. Yes, we need a Host and Co-host.

August 8-11 will see us at the Klamath Camper Corral in Klamath Ca. Great time to be on the coast.

Sept 19-22 will allow us to travel a bit to Hollister/Gilroy. With the Weggelands Hosting

October 10-13 will find us in Crescent city at the Redwood meadows with the Worthington and Kirkland families hosting.

November 7-9 returns us to the Red Bluff Koa for our annual Thanksgiving Outing Jamie and Jan Romero will host this event with my wife Co Hosting. (I might help lol)

December 6th will find us at Lodge 1073 in Northern California for a Christmas Dinner and Dance to be Hosted by your beloved Board.

In Closing, please remember to attend meetings. This helps to see who is interested and it keeps our group close together. Come down early and have a soda and socialize for a few minutes. Lastly please consider Hosting or Co-hosting an event. Enough goes into finding places to have these get togethers and negotiating costs with room to have our social time and booking large groups. We have guides to walk you through hosting. We have people who will offer all kinds of information. 'We Just Need You to HOST'

## Sunshine Report

After the sad news concerning the passing of Pete Peters, plans have been developing for his memorial. Currently there will be a service at the Igo/Ono Veterans Cemetary on May 31st at 11:30 am.

After chatting with Bruce Erwin, it appears that his wife Anita is now on Palliative Care. Sending healing and supportive thoughts to the family.

Heleen McAuliffe was in the hospital for 20 days with bacterial meningitis and Covid. Currently she is at Vibra so they can work on controlling her blood pressure.

Fondly,

Lisa Whitehorn
